Re: Repaving Ruth Mancuso Lane

Recommend the Board approve the repaving of Ruth Mancuso Lane through Paving Plus LLC at a total cost of \$259,000, utilizing CCESC Cooperative Contract #66CCEPS. This project will be funded through capital project dollars committed to the district by the Borough of Glassboro.

The district is grateful for the Borough's continued investment in our schools and community, and this project is a direct reflection of that partnership.
