Principal

Position/Item:

High School Gym Update

Proposed cot/amount:

N/A

Funded Through:

School Alliance
Health Insurance
Fund

INFORMATIONAL: The application submitted to the School Health Insurance Fund was not selected for the upcoming year. The proposal included transforming the existing gym with new equipment that would service both staff and students. The wellness grants are only approved for expenses for employees of the district and for activities that would include participation by the employees only.

Allen and Associates, the district insurance broker, will be working with the High School Administration to reapply next year.
