**Board Action Requested:** Request for the Board of Education to approve the renewal application for the School Improvement Grant (SIG). The School Improvement Grant is a competitive award that will provide a research based professional development whole school reform model.

**Details and ramifications:** The School Improvement Grant is a competitive grant that will enable Glassboro Intermediate School the opportunity to continually address the social emotional competencies of students and raise pupil performance. \*\* See attached for additional information

**Positives:**

It is expected that the implemented Whole school reform interventions, which was based on a comprehensive needs assessment and when implemented with fidelity, will result in dramatic, sustainable improvement in student outcomes. Grant renewal is contingent upon the LEA meeting continuation benchmarks and the availability of federal funds.

**Concerns:**

**Other Comments:**

#### Attachment 1

The goal of this multi-year grant is to provide Cohort 4/4R-Year 1 awardees with the necessary resources and services to establish scalable, research-based systems and practices to support full implementation of its selected intervention model. It is expected that these interventions, when selected based on a comprehensive needs assessment and implemented with fidelity, will result in dramatic, sustainable improvement in student outcomes. The selected WSR model is Positive Actions.
