### Board Action Requested:

Request that 2 Math Tutors and 1 ELA tutor be hired to work at GIS per GIS SIG Grant Part-time for the 2020/2021 school year.

To be paid by voucher 1hr per school day.

### Details and ramifications:

Tutors will work in small group with identified students during the SIG Grant Positive Action/Exploratory class time. This will help identified students to have extra assistance with math concepts working toward increasing math achievement.

### Positives:

### Concerns:

In our current hybrid schedule this time is not allotted in the school day. Person to be hired once school day schedule permits these meetings to occur
