Dear Walt Pudelko:

Congratulations, your district has been selected to receive one of the New Jersey Schools Insurance Group's 2014 Safety Awards!

As has been our custom in the past, a commemorative plaque will be presented to the winners at our Year End Review on **Tuesday, October 28, 2014 at 5:00 p.m. at the Trump Taj Mahal Casino Grand Ballroom C**. All your school board members and key staff are invited to attend. In addition, an Insurance Group representative is available to attend one of your school board meetings to re-enact the presentation.

Photographs will be taken as part of a press release available to local newspapers announcing the 2014 winners. I have attached a sample press release for your use.

I look forward to hearing from you.

Sincerely,

Anthony Jones
