Re: Action Memo
May 27, 2020 Board Meeting

Recommend Board approval of the School Health-Related Closure Plans.

(On May 4, 2020, Governor Murphy announced that all New Jersey school buildings would remain closed for in-person instruction for the remainder of school year 2019-2020. Private schools with longer academic years will remain closed until at least June 30, 2020. To ensure that New Jersey students continue to receive high quality, standards-based instruction through the end of the school year, and to provide appropriate transparency, each school district, charter school, Renaissance School Project and APSSD must update and post to its website its school health-related closure preparedness plan. Pursuant to P.L. 2020, c.27, the revised plans must be approved by the district board of education or board of trustees.)
