School Safety and Security Plan Annual Review
Statement of Assurance

In accordance with *N.J.A.C. 6A:16-5.1 School Safety and Security Plans*, each school district is required to have comprehensive plans, procedures and mechanisms that provide for safety and security in the school district's public schools. The School Safety and Security Plan (SSSP) must meet the minimum state requirements and clearly define plans, policies and procedures for prevention of, response to and recovery from emergencies and crises. The SSSP is developed and reviewed with key stakeholders such as law enforcement agencies, public health agencies, social services providers, emergency management planners, district, school and other community resources. By the third week of October, districts together with key stakeholders, are required to review and update their district's SSSP.

School districts are required to annually submit this Statement of Assurance to their County Office of Education by November 30 of each year.
