Good morning, Is it OK if I that I schedule this flu clinic as listed below? Just let me know. We have done this for the past two years. It doesn't get the greatest turn out, but it is an easy option that we offer to our staff. Have a good day. Marian

Hi Marian,

I am making plans for my fall flu clinics and wondered if you would like to schedule the flu clinic for Glassboro Teachers and Staff for Wed Sept 12 at 3pm-6pm?

Please let me know if this is good for you.

Thanks,  
Cindi Scaffidi, RPh
