Board Action Requested: I am requesting Board approval to advertise for the following special education extended school year summer school positions: Principal, Teachers, Nurse, Instructional Aides, Occupational therapist and Speech therapist.

Details and ramifications: This program is paid for through IDEA funds and offers a program to combat regression in student's skills over the summer. We generally average about 50 students in the program and last year took in some tuition students from Clayton. The program runs for 4 weeks, 4 days per week, 4 hours per day for students and aides, 4.5 for teachers and 5 for the principal. Teachers have one set up day in June and the Principal has several prep days for interviews and arranging materials.

Positives: Students maintain or gain academic skills over the summer months.

Concerns: NA

Other Comments: We provide busing to and from the program.
