Dear Dr. Silverstein,

My family and I recently moved from Glassboro to Wenonah. I would still like to have my daughter, Alexandra Pimpinella, attend Rodgers School for Kindergarten this coming school year. Would this be possible? Thank you for your time and consideration.

Sincerely,

Erin Pimpinella

Dr. Silverstein, Superintendent
Glassboro School District
560 Joseph Bowe Blvd.
Glassboro, NJ 08028

Dear Dr. Silverstein,

I am writing this letter to request that my daughter, Hannah Rulon continue to attend the Glassboro Public Schools in the 2021-2022 school year. Hannah will be entering 5th grade at Bowe School in the fall. In addition, I would like to continue to enroll our youngest daughter, Solara Rulon into 2nd grade at Dorothy L. Bullock School.

It is my hope that you and the Board of Education will accept Hannah and Solara into the district as you have done for other children of teachers in the district. As a teacher in this district, I am very happy with Glassboro Public Schools. The district demonstrates high standards, shows excellent student-teacher relations, and exceptional value in each student's education. I also believe that a school districts public image can only be enhanced when its teachers send their own children there.

Please inform us of the decision as soon as possible. We look forward to hearing from you. Be assured of my continued commitment to all our students regardless of your decision.

Respectfully submitted,

Wayne E. Rulon
Glassboro High School

I completely forgot to submit a request for my daughter Emily Perewiznyk grade 4, to continue attending Glassboro school district. I saw this was on the board agenda for tonight's meeting.

Please let this be the official request and forward to whomever will need this, for tonight's meeting or the next board meeting.

Thank you
