

August 6, 2018

Dr. Silverstein, Superintendent
Glassboro School District
560 Joseph Bowe Blvd.
Glassboro, NJ 08028

Dear, Dr. Silverstein,

I am writing this letter to request that my daughters, Hannah and Solara continue to attend Glassboro Public Schools in the 2018-2019 school year. Hannah will be entering second grade at Bullock and Solara will be entering PRE-K 4 this fall at Rogers.

It is my hope that you and the Board of Education will accept Hannah and Solara into the district as you have done for other children of teachers in the district. As a teacher in the district, I am very happy with Glassboro Public schools. The district demonstrates high standards, shows excellent student-teacher relations, and exceptional value in each students education. I also believe that a school district public image can only be enhanced when one of its teachers want to send their own children there.

Please inform me of the decision as soon as possible. I look forward to hearing from you. Be assured of my continued commitment to all of our children.

Respectfully submitted,

Wayne Rulon
Glassboro High School

Dr. Silverstein, Superintendent
Glassboro School District
560 Joseph Bowe Blvd.
Glassboro, NJ 08028

Dear Dr. Silverstein,

I am writing my annual letter to once again request that my daughters, Colleen and Katryn Keating, continue to share in our successful educational environment here at Glassboro. Colleen is currently in 10th grade at GHS and has attended Glassboro School's since kindergarten, because of the Board of Education's decision to extend professional courtesy to me. She has scored above normal in her NJASK, MAP and PARCC Standardized Test and thus, was enrolled in the Gifted and Talented Program for five years. Colleen also is involved in the STEM Academy and Engineering Club. In addition to Colleen, Katryn is currently in 6th grade at Bowe School. She also excels in both reading and math in standardized testing. She is involved in Student Government as her homeroom representative.

It is my hope that the Board of Education will continue to address its policy to accept the children of its teachers as students in our district. I believe our public image is truly enhanced when our teachers consider Glassboro to be so exceptional as to send their own children to our schools.

Please inform me of the decision as soon as possible. I look forward to hearing from you. Be assured of my continued commitment to all of our children.

Respectfully submitted,

Michele Keating

Dr. Silverstein, Superintendent
Glassboro School District
560 Joseph Bowe Blvd.
Glassboro, NJ 08028

Dear Dr. Silverstein,

I am writing my request that my sons, Gregory and Nicholas Maccarone be given permission to enroll the Glassboro School District. I am requesting both Gregory and Nicholas will be able to enroll as a result of the Board of Education's decision to extend professional courtesy to staff. Nicholas will be entering into 11th grade and Gregory will be entering into 12th grade.

It is my hope that the Board of Education will continue to address its policy with regards to accepting the children of its teachers as students in our district. I believe our image is truly enhanced when our teachers consider Glassboro to be so exceptional as to send their own children to our schools. As an employee of the district for the past sixteen years I have been a part of, and have seen first-hand the impact a small school setting has on our student's growth. I would like that same setting for my own child during his high school experience.

Please inform me of the decision as soon as possible. I look forward to hearing from you.

Respectfully submitted,

Gregory Maccarone
