Yes. This is a staff member requesting their child attend the district school so I will have her "ratified" at next month's meeting.

She would not be able to attend as a choice student, as all seats are full. However, if she is still allowed to attend, she has my approval.

Need your approval for this district employee's daughter to attend the high school. She missed the August BOE meeting date. Thanks.

Good morning Mary, my name is Shyretta Withers I am employed at the transportation department. I recently moved to 316 Erie Ave in Clayton from Glassboro my daughter Serenity Gear attends the Glassboro High School and will be continuing to the 10th grade. I really do not know the process but I'm hoping you can assist me in getting things updated in the system. Please feel free to give me a call at 856 301-1049 thanks in advance 😊
