### Board Action Requested:

I am seeking Board Approval for a Ski Club trip for 18 students to Jack Frost Mountain.

### Details and ramifications:

The cost of the trip would be approximately \$30.00. The students will be covering their own costs through personal fundraising and parent payments. The students will be able to sharpen their skiing skills and enjoy the outdoors.

**Positives:** Lift tickets and rentals are less expensive on weekdays.

Educational Value:

- 1.) Physical education and lifelong physical fitness goals and activities.
- 2.) Science lesson on weather and snow making on the mountain.
- 3.) Outdoor and mountain safety course.

### Concerns:

Students will be missing a day of school but know they are responsible for all missed work. All teachers have signed student permission slips approving their absences from class.
