Board Action Requested: Recommend board approval for summer hours for high school guidance counselors as follows:

Robin Boyd- 25 days @ \$527.39 = \$13,184.75 pending settlement of GEA contract

Marybeth Ragozzino- 20 days @ \$516.66 = \$10,333.20 pending settlement of GEA contract

This will allow Guidance Counselors to schedule students for classes for upcoming school year.

The employees are vital to the scheduling process during the summer. They must review students' grades and assist with the development of the GHS master schedule. Since scheduling and PARCC adjustments that must be made after June 30, the counselors know their students best and can make the best determination. The increase in hours are due to the recent resignation of Mr. Galietta in March. Also, the counselors are behind due to the pandemic.

### Positives:

In the event that a parent comes in, there will be more of a chance that there will be a counselor in to answer their questions about the upcoming school year as it relates to their student and guidance.
