Re: Summer Employment – Technology

Approval to rehire two part time summer employees Jonathan Orr and Andrew Petrany in the Technology Department beginning June 12th to August 31st. They were employed last year as GHS students and have since graduated.

Recommending reappointment to assist with new device distribution, old device collection, and inventory of equipment.

4 hours per day, 4 days per week at the minimum wage of \$14.13 per hour. These individuals are reappointments to be hired pending receipt of criminal history results.
