Re: Action Item
May 25, 2022 BOE Meeting

The Technology Department would like to post the following outdated/decommissioned equipment on Gov Deals for auction:

Two (2) x HP Notebook Managed Charging Carts
Barracuda Web Filter 910
Barracuda Spam Firewall 400
Barracuda Message Archiver 350
Two (2) x Cisco Nexus Network Switches
Dell PowerEdge 2950 Server
162 x Dell 3380 student laptops (retired)

Any tech equipment containing a hard drive will be sanitized (hard drive removed) prior to sale.
Any equipment that does not sell at auction will eventually be responsibly recycled.
