Subject: Telecommunications Vendors

Telecommunications Vendors

Recommend Board approval of the following telecommunication vendors for the 2015-2016 school year for the district to qualify for e-rate funds.

- Continue year 2 of 3 year contract with LSI for Internet Service and Voice Services (via PRI circuits and POTS lines for alarms) for the district
- Verizon Wireless for district cellular series
- Comcast for Internet Service for backup Internet

*Informational Note: Approval of vendors is for erate application processing and funding qualification. We already have multi-year contract with LSI and annual contracts via NJ State Contracts with Verizon Wireless and Comcast.
