Board Action Requested:

I am requesting that Ms. Patricia Yanez be transferred from the World Language Department where she currently serves as a Spanish teacher to the Business Department at GHS where she will assume the role of the TV Technology Teacher.

Details and ramifications:

This transfer will not occur until the interview process occurs and a new Spanish teacher is secured for the position so the Spanish students do not experience an interruption to their learning.

The TV Tech position is currently being covered by Mr. Will Gallon, a longtime former TV Tech teacher who is extremely familiar with the program.

Positives:

Ms. Yanez studied TV, Radio and Film in her native country of Chile and that is where her strongest teaching passion lies. She is beyond excited about this educational opportunity.

Concerns:

I hope to find a teacher who is interested in continuing our student exchange program or at least one who is interested in travelling abroad with the students to enhance their acquisition of the language and culture.
