Dear Dr. Sneathen,

My name is Stacy Ferraro, the Director of the Samaritan Center, a food bank servicing Glassboro residents in need. On Monday, November 23rd, we gave 300 families a Holiday Basket, consisting of a turkey, a gallon of milk, and a bag of groceries. To assist us in this task, a call was made to Mrs. Marybeth Ragozzino.

Mrs. Ragozzino was very prompt in providing us with students from Mmes. Teresa White and Mrs. Allison Medora's class, and students from Senior Experience. When the three staff members and students arrived, they quickly went to work unloading the truck, filling the bags, servicing the clients, and helping elderly and disabled clients to their car with their items. The students couldn't have been more polite and helpful. What seemed like a monumental job for 5 volunteers, was made much easier due to the efficient help of the staff and students.

As Principal of Glassboro High School, you can be so proud of the participation of your staff and students to the community. I look forward to continuing this partnership in future endeavors.

Sincerely,

Stacy Ferraro
