Re: Action Memo
Board Meeting

1. Please be advised as of September 8, 2020 Janet Camp was transferred from a library aide at Bowe School to a shared special education aide at Intermediate School. This is due to the elimination of the library aide position at Bowe School and the need for an additional aide at the Intermediate School due to a vacancy.
2. Please be advised that as of October 19, 2020 Debbie Fanfarillo was transferred to from special education aide at Bullock School to J. Harvey Rodgers School as special education classroom aide due to the return of the self-contained classes to in person instruction and a current vacancy. Mrs. Fanfarillo was a 1:1 aide at Bullock School and the student she was supporting moved out of district.
