Transportation Update

The shared service agreement with Delsea Regional is complete and Mrs. Leslie Rodriguez is permanently housed in the operations building.

Mrs. Rodriguez and Traci Davis, Assistant Supervisor, have been preparing cohort routes pending the final parental decisions and cohort grouping of the Administrative Team still pending. The goal is to mail postcards to parents no later than Tuesday, September 1st.

Meetings have been held every Tuesday over the summer to discuss the reopening plan. Following the final decisions of the restart plan an employee manual will be updated and ready for employees at the 20-21 start up meeting, date still pending.
