Ginger,
I do not have the ability to create a requisition (just PO's). Please enter a requisition to vendor 2974 (Gloucester Co. Voc.-Technical School Dist.) for "Tuition – Career – Technical Programs" in the amount of \$144,048. The breakdown is Qty 44 and Item Amount is 2,592 each for the total of \$144,048. It should be charged to account #11-000-100-563-000-00-000. Please use the attached file as the backup attached to the req.

Mary,
The contract should be Board approved and I am assuming it has not been yet. Would you please add it to the agenda: Motion to approve the tuition contract from Sept 6, 2023 to June 30, 2024 with Gloucester County Vocational-Technical School District in the amount of \$114,048 (44 students @ \$2,592 tuition).

Thank you,
Joanne
