Hi Tina,

THANK YOU SO MUCH to the Glassboro Interact Club for your hard work and dedication at Walk MS: Sewell 2022!

On behalf of the entire Walk MS Team – relationship, event production, and volunteer engagement staff – we are so grateful for you and appreciate EVERYTHING you and your students each did to support this year's Sewell walk! After almost 3 years without in-person walks, it was so great to finally celebrate all together again. With your help, we were able to surpass our fundraising goal for this event and raise \$46,000.

The staff from the walk spoke very highly of both you and the Interact Club students. In fact, one of our staff members, Cynthia, shared how each and every one of your students kept working from the moment they arrived because of the strong example you set.

We have said it before and will say it again, this event would not be successful without amazing volunteers like each and every one of you. Thank you so much for all of your support and for contributing to what was a great day for both the participants and for individuals living with MS. We hope to see you all again next year!

Thank you for everything! 😊
