Recommend Board ratify the agreement between rSchoolToday and Glassboro Public Schools for the rSchoolToday Daily Health Screening App for the 2020-2021 school year. The screening app will allow us to satisfy the NJDOE Road Back requirements for COVID-19 screening once we return to in-person learning. Funding provided by CARES. rSchoolToday is significantly cheaper than competitors like Ruvna and Qualtrics and offers even more unique solutions, like facilities scheduler and a work order system (add-ons) in addition to the health screener.
